

KONA ICE®

All schools that sign up on our monthly program (Aug-May: at least one school day Kona Day each month) will receive the following fundraising giveback:

Monday – 35%

Tuesday – 34%

Wednesday and Thursday – 32%

Friday – 30%

All after school events – 30%

2nd Kona day in a month – 40%

Even though there is 10 months, only 9 separate Kona Days will be needed to be monthly. A 2nd Kona day in a month does not count towards the 9 needed. All other schools that do not do monthly Kona Days will get 20% regardless of what day of the week it is and 10% on all after school events.

After School Events – Festivals, carnivals, open houses, sporting events, award programs, etc. that take place on school campus will get a % of sales for their event. %'s vary depending upon whether your school is monthly or not.

Exclusivity – Whether it is a school day Kona day or an after school event, we will be honored to fundraise for your school. If there is another frozen treat vendor present with us at any event, we will unfortunately not be able to give back a fundraised % for that event.

Minimum sales – In order for us to fundraise at any school event, including school day Kona days, sales from that event must reach a minimum of \$450 before we can give back a %.

Kona Prices - Kiddie \$3, Klassic \$5, King Kona w/ prize \$7.

School discount – When the school or a school entity purchases Konas for the students, the prices will be as follows:

Monthly schools: Kiddies \$2.50, Klassics \$4.00.

Non monthly schools: Kiddies \$2.75, Klassics \$4.50.
